Mr. Vines Collier,
Edison, Ga.

Dear Mr. Collier:

Your brother Robert of Griffin was in my office a few days ago, and we were discussing the Collier family, and he requested me to write you for full information as to your branch of the Collier family.

I would like for you to fill out the enclosed sheet that I herewith send you.

I am quite satisfied that you are a descendant of Isaac Collier that came from Oglethorpe County to Upson along about 1835 or 1840, as there was several brothers that left Oglethorpe County about that time. And along after the settlement with the Indian Chief, McIntosh, at Indian Springs in 1822 three brothers came to Upson, my great-grandfather, Williamson another brother, and Isaac another; and two brothers went to Monroe, namely Cuthbert and John, and another brother went to Early, named Ben.

Trusting to have the pleasure of knowing you personally at some nearby date, I beg to remain

Yours very sincerely,

JCC:GS

J. C. COLLIER.

P. S. I have complete Genealogy records of the Colliers from 1495 up to present date.
